It looks like I can make 1:00 work for both Tommy and Nikki so go ahead and hold that time. What is the best number for Tommy/Nikki to call or is it easier to send out a call in number.

Let me know and I will send out an invite.

Thanks, Nikki! Matt and I are both open between 1 and 2:30 and at 4pm. Would either of those windows work?

Nikki and Tommy,

Hope you're well! Matt and I were hoping to find some time to check-in with you about the Gold King Mine release that happened in Colorado. Any chance you're available tomorrow afternoon for a quick call?

Thanks,

Lou
